DUCHU IS A STIMULANT, and of itself may fail to effect a cure, but Buchu,

of Potassium and other ingredients, produces a sedative effect, and causes a healthy action, thus increasing the powers of digestion, allaying irritation, reducing all un-natural swellings, stopping pain and inflammation, and causing the repairs and nutri-ments in the numan and the the wastes, thus preventing decomposition and decay, and gives nourishment, health and vigor to the system.

My Buchu is good for all diseases arising from excesses, such as Weakness, and Pain in the Back and Legs, Trembling in the re-gion of the Heart, Weak Nerves, Pallid Countenance, Dryness of the Skin, Scrofula Syphilis, in its many forms, Ulcers, and If your system is affected by any of the done to order, such as Guttering, Roofing, et

above symptoms and diseases, relief is at hand. Get a bottle of my Buchu and Bromide of Potassium at once and you may rely on being cured. I knew just what I say. My record as a Compounder of Medicine is second to no man DOORS,

in the Southwest. Twenty-five or thirty years ago, as my fellow-citizens know full well, found me be hind the prescription counter in the city in which I now dwell; I have cured more people of various diseases than all the physicians in Louisville put together. Undoubtedly, for every single patient that any Louisville physician has I have a hundred. I am no upstart of yesterday. My Medicines are a success-a great success. Louiswille is not large enough for me to have a competitor. I monopolize the Wholesale Patent Medicine Trade here. One and another has tried, by copying after me here in Louisville, to compete with me, but, one after another, their guns have been silenced, and their efforts have been abortive.

My Medicines are good and answer the purpose-that is the secret, of my success. My reputation as a compounder of good, reliable articles is fully established. I believe my Buchu and Bromide of Po-

tassium is the best article new in the market for the cure of all discases of the urinary or genito-unrinary organs, such as Nocturnal Incontinence, Irritability of the Bladder and Urethya, Inflammation of the Pelvis of the Kidney, and all that class of diseases. Buy a dollar bottle and be enred. Use as BOOTS, per directions in all cases.

### AGUE AND FEVER CHILLS AND FEVER,

The proprietor of this celebrated medi-cine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been southern Express Company sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to
